Black Indian Chickpeas (Kala Chana) HSN = 07132020

Kala Chana is a great alternative to get protein and fiber for those who are vegan and vegetarian. It helps in empowering your present health conditions, and if you are looking to gain some amount of weight, in that case, also it helps you. Our unpolished and premium Kala Chana offers enhanced healthy fats, irons, fibers, and it also boosts energy. It also helps solve digestive problems, so if you are struggling with then buy it to add to your daily meal. It is also a better option for those who are facing the problem of high cholesterol because it controls the cholesterol level as well. We ensure hygiene and premium quality first. Only then do we offer to our customers.

Chana Dal HSN = 07139010

Blazing Shiv Exim Chana Dal is one of the best chana dal in the market. The reason being they cover a wide range of crops and select only the premium and consistent Chana dal for their customers. It also does not polish its natural products because it can leave other vital ingredients such as proteins and fibers. The organized and smoothly processed dal contains a maximum amount of health benefits and tastes good when cooking. It also contains amino acids that help you to get and digest the total amount of protein from it. Asides from this, you also get some energy booster ingredients that keep you active. If you have a heart issue or want to keep your heart safe, you should add chana dal to your daily meal routine.

Toor Dal **HSN = 07139010**

Toor dal is one of the favorite dal or pulses in India. On all sides of India, you will find this pulse in a variety of dishes. Whether it is Dal Tadka, Dal Gosht, or any Gujarati and south Indian dish, you will commonly find this pulse only. Blazing Shiv Exim knows that this is one of the most common pulses; therefore, they offer it to you after a multilevel quality check. It is loaded with natural protein and fiber at the maximum level, which helps you to remain vigorous for a long time when you eat it. We do not use any polish or water polishing machine to give shine and reduce healthy ingredients. Also, we keep everything natural and present to our customers in easy cook standards.
